Budget hearing sessions began at 10:00am

***
9:55am – Cindy Zienta – Law Library
Cindy asked to reschedule her budget hearing due to an unexpected appointment. Budget was in line with last year. She did budget more for new chairs for the office when the renovation is done. She has also canceled some of the book subscriptions that are no longer needed.

The Law Library Board will need to replace Kay Reiter. They will meet and discuss what they plan to do with the open seat.

10:15am – Gwen Soule, Katie LaPlant and Al Gahler – OSU Extension
Reviewed budget for 2017. The budget is very similar to 2016. They appreciated the money the County contributes to the Extension. They have their budget broke done by where they get there funding. Without outside funding there would not be a program.

They are considering finding someone to help with the master gardeners program. The community garden did not go well this year. They are hoping to get some help to make it a success. They plan to schedule quarterly meetings to update the Commissioners on the program and what is happening and future plans.

***
11:15am – Sue Geraghty and Stan Weigman – Veterans Office
Payroll budget was adjusted to include an increase for staff that received accreditations and to also promote a supervisor from within. The Board has been supervising until they had someone they could put in charge. They will have two newer vehicles so they budgeted less for maintenance but they did budget more in travel expense for veteran transport.

Commissioners budgets were reviewed but not finalized.

At 12:35pm Commissioner Polter moved to adjourn the budget hearings with a second to the motion offered by Commissioner Schwochow. The ensuing vote was unanimous in the affirmative.
