Minutes 2017

Sandy Yohe – Soil & Water District. Came in to review the financial report with the Board. They are spending a little more than what they are bringing in. There was some concern by this Board on a plan to increase revenue or cut back on expenses. There is nothing in place at this point but the S&W Board will review this. Sandy will discuss this at their meeting on Thursday.

***

IT Department – Everyone seems to be on the same page on the move back to the courthouse.

City of Fremont has been going smooth. Will has been helping on this and they are getting them set up. There are some concerns they are working on but it is in much better place than it was in when they got started.

There are many projects on the horizon but they are managing their time and working on priorities.

Need to get switches in and programmed and then tested. This will have them ready to install.

Quote on the mail licenses was discussed. Quote was from SHI for $15,757.66. The license for the current lasted thirteen years but it will most likely not last that long. Money will be moved and appropriated in County Wide to pay for the licenses.

***

WSOS came in to thank the Board for assistance with programs. 52nd year for the program and they appreciate the Commissioners involvement.

Introductions were done by those attending. Volunteers working with the program attended along with individuals who have benefited from the programs. Staff with WSOS programs introduced themselves and what they do with their program. Flowers were presented to the Board in appreciation for their involvement.

Commissioner Schwochow read a proclamation that was presented to WSOS.
