Tim Young – Public Defender Office.

Came in to talk about fees for public defender. There are three major items going on right now. The budget isn’t completed. Executive budget as presented may take the reimbursement to 38% but there is language being presented to take it to 45% and possibly a guarantee of 50%. We won’t know this for a few weeks. Supreme Court is also meeting to set a reimbursement rate for death penalty cases. He would suggest waiting until July to have all those numbers fixed in the State budget.

Possibly do a survey on rates in private practice for different offenses. This could give a good starting point. He also has a list of other counties fees.

At 10:50am and with business concluded for the day Commissioner Miller moved to adjourn with a second to the motion offered by Commissioner Reiter. The ensuing vote was unanimous in the affirmative.
