Sheriff Hilton

Sheriff Hilton came in to discuss the financing of an additional road deputy. He is talking about adding the deputy beginning in November. It would cost an additional $5,500.00 to cover the rest of this year if adding the deputy. To add the new deputy for 2018 with benefits it would be approximately additional $62,000.00. He will have additional funds due to retirement and the replacement will move to non-general fund. He would need to add an additional vehicle for this deputy so there would be the one time additional cost for the vehicle and hardware for the vehicle. The addition of the deputy would give more flexibility with the canine unit and cut down on overtime. This would also allow his office to be pro-active instead of reactive.
