**PEAK Work Experience Program  
Q & A from Bidders Conference**

Q1. Can the participant work schedule be adjusted to better accommodate the clients: perhaps a second shift from 12:00 PM to 8:00 PM a few days a week?

A. On page 5 of the RFP, in Part II – PEAK – Under Scope of Work, paragraph 4 it states, “Bidders will then adjust the schedules as needed in order for the participant to obtain the needed number of monthly hours”.

**Please Note:** On page 12 of the RFP under Proposal Format, letter “a” states, “All proposals must be submitted in the format of **ONE original hard copy and TWO CD-ROMs.**” During the bidders’ conference it was announced that proposals could be submitted on two USB Flash Drives in lieu of the two CD-ROMs mentioned in the RFP.
