**Issue 1**

**Creates a bipartisan, public process for drawing congressional districts**

**Proposed Constitutional Amendment**

**Proposed by Joint Resolution of the General Assembly**

To amend the version of Section 1 of Article XI that is scheduled to take effect January 1, 2021, and to enact Sections 1, 2, and 3 of Article XIX of the Constitution of the State of Ohio to establish a process for congressional redistricting.

**A majority yes vote is necessary for the amendment to pass.**

The proposed amendment would:

- End the partisan process for drawing congressional districts, and replace it with a process with the goals of promoting bipartisanship, keeping local communities together, and having district boundaries that are more compact.
- Ensure a transparent process by requiring public hearings and allowing public submission of proposed plans.
- Require the General Assembly or the Ohio Redistricting Commission to adopt new congressional districts by a bipartisan vote for the plan to be effective for the full 10-year period.
- Require that if a plan is adopted by the General Assembly without significant bipartisan support, it cannot be effective for the entire 10-year period and must comply with explicit anti-gerrymandering requirements.

If passed, the amendment will become effective immediately.

**SHALL THE AMENDMENT BE APPROVED?**

- YES
- NO

**PROPOSED MUNICIPAL INCOME TAX**

**BELLEVUE CITY**

**A majority affirmative vote is necessary for passage.**

Shall the Ordinance providing for a ½% levy increase on income for the purpose of the **general fund** for a continuing period of time and providing for the current ½% levy (in effect through 2020) be levied for a continuing period of time be passed?

**Issue 1**

**Creates a bipartisan, public process for drawing congressional districts**

**Proposed Constitutional Amendment**

**Proposed by Joint Resolution of the General Assembly**

To amend the version of Section 1 of Article XI that is scheduled to take effect January 1, 2021, and to enact Sections 1, 2, and 3 of Article XIX of the Constitution of the State of Ohio to establish a process for congressional redistricting.

**A majority yes vote is necessary for the amendment to pass.**

The proposed amendment would:

- End the partisan process for drawing congressional districts, and replace it with a process with the goals of promoting bipartisanship, keeping local communities together, and having district boundaries that are more compact.
- Ensure a transparent process by requiring public hearings and allowing public submission of proposed plans.
- Require the General Assembly or the Ohio Redistricting Commission to adopt new congressional districts by a bipartisan vote for the plan to be effective for the full 10-year period.
- Require that if a plan is adopted by the General Assembly without significant bipartisan support, it cannot be effective for the entire 10-year period and must comply with explicit anti-gerrymandering requirements.

If passed, the amendment will become effective immediately.

**SHALL THE AMENDMENT BE APPROVED?**

- YES
- NO

**Issue 1**

**Creates a bipartisan, public process for drawing congressional districts**

**Proposed Constitutional Amendment**

**Proposed by Joint Resolution of the General Assembly**

To amend the version of Section 1 of Article XI that is scheduled to take effect January 1, 2021, and to enact Sections 1, 2, and 3 of Article XIX of the Constitution of the State of Ohio to establish a process for congressional redistricting.

**A majority yes vote is necessary for the amendment to pass.**

The proposed amendment would:

- End the partisan process for drawing congressional districts, and replace it with a process with the goals of promoting bipartisanship, keeping local communities together, and having district boundaries that are more compact.
- Ensure a transparent process by requiring public hearings and allowing public submission of proposed plans.
- Require the General Assembly or the Ohio Redistricting Commission to adopt new congressional districts by a bipartisan vote for the plan to be effective for the full 10-year period.
- Require that if a plan is adopted by the General Assembly without significant bipartisan support, it cannot be effective for the entire 10-year period and must comply with explicit anti-gerrymandering requirements.

If passed, the amendment will become effective immediately.

**SHALL THE AMENDMENT BE APPROVED?**

- YES
- NO

**Proposed Income Tax (Renewal)**

**Fremont City School District**

**A majority affirmative vote is necessary for passage.**

Shall an annual income tax of 1.25% on the school district income of individuals and of estates be imposed by the Fremont City School District, to renew an income tax expiring at the end of 2018, for 5 years, beginning January 1, 2019, for the purpose of **current operating expenses?**

- FOR THE TAX
- AGAINST THE TAX

**Issue 1**

**Creates a bipartisan, public process for drawing congressional districts**

**Proposed Constitutional Amendment**

Proposed by Joint Resolution of the General Assembly

To amend the version of Section 1 of Article XI that is scheduled to take effect January 1, 2021, and to enact Sections 1, 2, and 3 of Article XIX of the Constitution of the State of Ohio to establish a process for congressional redistricting.

A majority yes vote is necessary for the amendment to pass.

The proposed amendment would:

- End the partisan process for drawing congressional districts, and replace it with a process with the goals of promoting bipartisanship, keeping local communities together, and having district boundaries that are more compact.
- Ensure a transparent process by requiring public hearings and allowing public submission of proposed plans.
- Require the General Assembly or the Ohio Redistricting Commission to adopt new congressional districts by a bipartisan vote for the plan to be effective for the full 10-year period.
- Require that if a plan is adopted by the General Assembly without significant bipartisan support, it cannot be effective for the entire 10-year period and must comply with explicit anti-gerrymandering requirements.

If passed, the amendment will become effective immediately.

**SHALL THE AMENDMENT BE APPROVED?**

- YES
- NO

**Issue 1**

**Creates a bipartisan, public process for drawing congressional districts**

**Proposed Constitutional Amendment**

**Proposed by Joint Resolution of the General Assembly**

**To amend the version of Section 1 of Article XI that is scheduled to take effect January 1, 2021, and to enact Sections 1, 2, and 3 of Article XIX of the Constitution of the State of Ohio to establish a process for congressional redistricting.**

**A majority yes vote is necessary for the amendment to pass.**

The proposed amendment would:

- End the partisan process for drawing congressional districts, and replace it with a process with the goals of promoting bipartisanship, keeping local communities together, and having district boundaries that are more compact.
- Ensure a transparent process by requiring public hearings and allowing public submission of proposed plans.
- Require the General Assembly or the Ohio Redistricting Commission to adopt new congressional districts by a bipartisan vote for the plan to be effective for the full 10-year period.
- Require that if a plan is adopted by the General Assembly without significant bipartisan support, it cannot be effective for the entire 10-year period and must comply with explicit anti-gerrymandering requirements.

If passed, the amendment will become effective immediately.

**SHALL THE AMENDMENT BE APPROVED?**

- YES
- NO

**Proposed Income Tax (Renewal)**

**Fremont City School District**

**A majority affirmative vote is necessary for passage.**

**Issue 1**

**Creates a bipartisan, public process for drawing congressional districts**

**Proposed Constitutional Amendment**

**Proposed by Joint Resolution of the General Assembly**

To amend the version of Section 1 of Article XI that is scheduled to take effect January 1, 2021, and to enact Sections 1, 2, and 3 of Article XIX of the Constitution of the State of Ohio to establish a process for congressional redistricting.

**A majority yes vote is necessary for the amendment to pass.**

The proposed amendment would:

- End the partisan process for drawing congressional districts, and replace it with a process with the goals of promoting bipartisanship, keeping local communities together, and having district boundaries that are more compact.
- Ensure a transparent process by requiring public hearings and allowing public submission of proposed plans.
- Require the General Assembly or the Ohio Redistricting Commission to adopt new congressional districts by a bipartisan vote for the plan to be effective for the full 10-year period.
- Require that if a plan is adopted by the General Assembly without significant bipartisan support, it cannot be effective for the entire 10-year period and must comply with explicit anti-gerrymandering requirements.

If passed, the amendment will become effective immediately.

**SHALL THE AMENDMENT BE APPROVED?**

- YES
- NO

**Proposed Income Tax (Renewal)**

**Fremont City School District**

**A majority affirmative vote is necessary for passage.**

Shall an annual income tax of 1.25% on the school district income of individuals and of estates be imposed by the Fremont City School District, to renew an income tax expiring at the end of 2018, for 5 years, beginning January 1, 2019, for the purpose of **current operating expenses?**
